The [Notice of Fiscal Year \(FY\) 2017 Opportunity to Register and Other Important Information for Electronic Application Submission for the Continuum of Care \(CoC\) Program Competition](#) is now posted to the HUD Exchange and the *e-snaps* system is available. Registration forms must be fully completed and submitted by **May 1, 2017, by 8:00 pm Eastern Time (ET)**.

The FY 2017 CoC Program Registration Notice provides Collaborative Applicants with the information necessary to register CoCs in preparation for the FY 2017 CoC Program Competition. The registration process described within the Notice applies only to Collaborative Applicants who will register to submit the CoC Consolidated Application for FY 2017 CoC Program funds that includes the CoC Application, the CoC Priority Listing, and project applications. HUD strongly encourages all Collaborative Applicants, CoC stakeholders, project applicants, and project subrecipients to read the FY 2017 CoC Program Registration Notice in its entirety.

Collaborative Applicants should carefully review *Section III Completing the Registration Process* of the Notice prior to accessing and completing the registration forms in *e-snaps* as this section includes all of the steps necessary to successfully register the CoC for the FY 2017 CoC Program Competition.

If you are aware or suspect that the Collaborative Applicant for your CoC is not currently receiving these listserv messages, please forward the following link so the Collaborative Applicant can register to receive listserv messages as this is the only form of communication used by HUD to the public:

Important Notes:

Grant Inventory Worksheets (GIWs)

The FY 2017 GIWs have no role in the FY 2017 CoC Program Registration process and will be distributed, reviewed, and completed through an improved, separate process. Information regarding the FY 2017 GIWs will be provided in a separate listserv message.

Preliminary Pro Rata Need (PPRN), CoC Planning, and UFA Costs

As Congress has not yet appropriated funds for this program, the amounts for PPRN, CoC planning, and UFA Costs are not yet available. HUD will provide this information at a later date once FY 2017 funds have been appropriated.
