YOUTH HOMELESS DEMONSTRATION PROGRAM

SUPPORTIVE SERVICE PROJECTS

DOBEY DROP-IN CENTER

A drop-in center for young adults ages 18-24, that provides access to basic needs, referrals, education and employment support, diversion services, and an array of supportive services.

HYGEH BEAR NAVIGATION TEAM

A mobile, multi-disciplinary team focused on assisting youth under 25 in the Heart of Texas quickly transition out of homelessness. The team provides basic needs, referrals, coordinated entry assessment, and navigation of systems via progressive engagement centered around youth choice.

HOUSING PROJECTS

HOTTCHY TRANSITIONAL HOUSING

Crisis housing for 16-17 year old's in a safe, inclusive environment with a full array of supportive services, with the goal of transitioning youth into permanent housing.

STARRSKYE RAPID REHOUSING

Young adults, ages 18-24, are provided navigation services to locate housing in the community and provided rental assistance and supportive services as they achieve self-sufficiency.

YHDP is an exciting new initiative designed to reduce the number of youth experiencing housing insecurity. Funded by HUD, YHDP is designed to bring community partners together to make system-wide changes with the focus of ending youth homelessness.

YHDP VISION

The Heart of Texas community's goal is for every youth and young adult in the region to be housed in safe, secure, and stable environments. We envision a youth-driven network of coordinated services that are readily accessible, trauma-informed, sustainable, and offer holistic care to ensure that any occurrence of youth homelessness is rare, brief, and non-recurring. All services will respect and affirm the variety of cultures, identities and abilities of youth and young adults in the Heart of Texas. We commit to celebrating our greatest asset, youth participants, by placing their voices and expertise at the forefront of every action that we take.
