Letters of Interest and Inquiries are to be submitted to: Nicole Wiscombe, heartoftexashomelesscoalition@gmail.com.

ELIGIBLE PROJECTS

Renewal Applications

- Only existing HUD CoC grants are eligible for renewal. The only eligible renewal grants are those with an expiration date within Calendar Year 2023 (January 1, 2023, through December 31, 2023).
- The renewal amount must be consistent with the Final Grant Inventory Worksheet (GIW) for the CoC. The renewal amount may not be exceeded, and the budget lines must conform to those indicated on the GIW.

New Project Applications

New project applications are requested from qualified nonprofit and local government organizations for the FY 2022 Continuum of Care Program Competition. Applications are sought for projects that can make maximum efficient, economical, and effective use of the prospective allocation of the United States Department of Housing and Urban Development (HUD) Continuum of Care (CoC) funds. New projects must meet threshold requirements laid out in the

NOFO. All funded projects will be required to participate in the [Heart to Home Coordinated Entry System](#) and utilize a [Housing First](#) approach. Our CoC has been allotted \$107,580 in CoC Bonus and \$285,950 in Domestic Violence Bonus funds for FY 2022.

There are three allowable types of housing projects:

- **Permanent Supportive Housing (PSH) Projects**
 - Housing for homeless individuals and families in which the head or co-head of household is disabled.
 - Permanent supportive housing must be 100% dedicated to serving chronically homeless individuals and families or meet qualifications as a “DedicatedPLUS” PSH project. DedicatedPLUS projects may serve the chronically homeless and they may also serve a broader range of homeless people in need of PSH. Please refer to the HUD NOFO resources for detailed information on DedicatedPLUS PSH projects.
 - PSH may provide housing assistance through tenant, sponsor or project based rental assistance, through leasing, or by providing operating support to a PSH facility. Because coordinated entry emphasizes participant choice in housing, tenant based rental assistance is the preferred housing type.
 - Admissions must come from the CoC’s Heart to Home coordinated entry process.

- **Rapid Rehousing (RRH) Projects**
 - For individuals and families targeting households that are living in the following settings:
 - Residing in place not meant for human habitation,
 - Residing in emergency shelter,
 - Meet Domestic Violence (DV) criteria in homeless definition (Category 4),
 - Residing in Transitional Housing (TH) funded part of a joint TH PH-RRH project, and/or
 - Receiving assistance from a Veteran’s Affairs (VA) homeless program and met one of the above criteria on intake into the VA program.
 - RRH includes housing assistance through housing navigation, tenant based rental assistance (providing only on a short term or medium term – Not to extend past 24 months), and supportive services to assist participants secure housing, maintain housing and increase income and employment.
 - Admissions must come from the CoC’s Heart to Home coordinated entry process.

- **Joint Transitional Housing-Rapid Rehousing (TH-RRH) Projects**
 - This HUD initiative is intended to serve homeless families and individuals who need temporary, safe accommodations while they secure permanent housing, assemble needed documents to secure housing or have other barriers to immediate placement in housing. In Joint TH-RRH projects, the provider must be able to offer both TH and RRH to all participants, but all participants are not required to participate in both components. Participants should remain in the TH component for as short a period of time as possible; there should be no program requirements to complete, and the need for continuing stay in TH should be determined on a case-by-case basis.
 - For the TH component, housing assistance may be provided through operating support for existing facilities or leasing assistance. In the RRH component, housing assistance can only be provided through tenant based rental assistance. Supportive services may be provided to participants in both components. As in all RRH, rental assistance is limited to short term or medium term (not to extend beyond 24 months).
 - Eligible persons to be served in Joint TH-RRH projects include:
 - Residing in place not meant for human habitation,
 - Residing in emergency shelter, and/or
 - Meet DV criteria in homeless definition (Category 4).

- **Homeless Management Information System (HMIS) Expansion Projects**

- Funding can be used to expand the HMIS system to include more providers, more analysis of data submitted to HMIS, more training and support to HMIS contributing agencies, further outreach to non-participating agencies, expansion of rural utilization of HMIS, or other services to improve data quality or utilization.
- Only the designated HMIS lead is permitted to apply for HMIS funding.
- **Planning Project – Eligible under Unsheltered Set Aside Only**
 - Only the Collaborative Applicant is permitted to apply for Planning funding and funds may be used as described in 24 CFR 578.39.

Of the above project types, all qualify for funding through reallocation and/or through the CoC bonus with the exception of Planning Projects.

Expansion Projects

In the 2022 competition, HUD is allowing renewal projects to apply for a new project that will EXPAND an existing renewal project. To apply for an Expansion project, a grantee must have an eligible renewal project. Please see the NOFO for rules regarding Expansion Projects.

Consolidation Projects

In the 2022 competition, eligible renewal project applicants will have the ability to consolidate two or more eligible renewal projects. See instructions in the NOFO.

Transition Grants

In the 2022 competition, eligible renewal projects can transition from one CoC Program component to another during the CoC Program Competition. See instructions in the NOFO.

Domestic Violence Bonus

In the FY 2022 CoC Program Competition, CoCs will be able to apply for a DV Bonus for PH-RRH projects, Joint TH and PH-RRH component projects, and SSO projects for Coordinated Entry. This project type is designated for HUD Homeless Category 4, which includes victim service providers who serve those fleeing domestic violence, dating violence, stalking, human trafficking, and for those under 25, fleeing any unsafe situation. Our CoC is allotted \$285,950 in DV Bonus funds for FY 2022. For more information see the NOFO.

FUNDING PRIORITIES

Within the NOFO, HUD has identified the following policy priorities applicable to our CoC:

- Ending homelessness for all persons.
 - To end homelessness, CoCs should identify, engage, and effectively serve all persons experiencing homelessness.
- Using a Housing First approach.
 - Prioritize rapid placement and stabilization in permanent housing and does not have service participation requirements or preconditions.
 - Engage landlords and property owners to identify an inventory of housing available for rapid rehousing and permanent supportive housing participants, remove barriers to entry, and adopt service delivery methods that respond to the preferences and needs of the individual or family presenting for assistance.
 - Minimal barriers to program entry. There cannot be a requirement for sobriety prior to being housed and prior background (criminal history, lack of credit, or eviction history) cannot be used on a blanket basis to exclude potential participants. Participants cannot be required to participate in services as a

condition of entry and failure to participate in services cannot be used as grounds for termination from the program.

- All participants must be provided with a standard annual residential lease that does not include clauses that are not standard for residential leases in the community. Individuals and families can only be terminated from the program in conformance with the lease agreement.
- All participants must be accepted from the Coordinated Entry System.
- Reducing Unsheltered Homelessness.
 - CoCs should explore all available resources, including CoC and ESG funded assistance, housing subsidies, and supportive services to provide permanent housing options for people who are unsheltered.
- Improving System Performance.
 - CoCs should be using system performance measures (e.g., average length of homeless episodes, rates of return to homelessness, rates of exit to permanent housing destinations) to determine how effectively they are serving people experiencing homelessness.
- Partnering with Housing, Health, and Service Agencies.
 - HUD encourages CoCs to maximize the use of mainstream and other community-based resources when serving persons experiencing homelessness.
- Racial Equity.
 - HUD is emphasizing system and program changes to address racial equity within CoCs.
- Improving Assistance to LGBTQ+ Individuals.
 - CoCs should address the needs of LGBTQ+, transgender, gender non-conforming, and non-binary individuals and families in their planning processes.
 - When considering which projects to select in their local competition to be included in their application to HUD, CoCs should ensure privacy, respect, safety, and access regardless of gender identity or sexual orientation in projects.
 - CoCs should also consider partnering with organizations with expertise in serving LGBTQ+ populations.
- Persons with Lived Experience included in planning process.
 - HUD is encouraging CoCs to include in the local planning process people who are currently experiencing or have formerly experienced homelessness.
- Increasing Affordable Housing Supply.
 - The lack of affordable housing is the main driver of homelessness. CoCs play a critical role in educating local leaders and stakeholders about the importance of increasing the supply of affordable housing and the specific consequences of the continued lack of affordable housing.

Application submission through ESNAPS

Applications must be submitted via the E-SNAPS grants management system by the specified deadline. Applications not developed or submitted through E-SNAPS will not be reviewed and will not be funded. Once the application has been completed in eSNAPS, **do not hit SUBMIT**, instead, save the application (in eSNAPS), download the pdf and save (on your computer, etc.). Submission in eSNAPS will occur after the competition process if the application is chosen for submission by the Scoring and Ranking Committee of the Heart of Texas Continuum of Care.

Scoring and Ranking of Projects

All projects will be evaluated with a Board-approved Scoring Tool and ranking of the projects will follow the policies and procedures laid out in the CoC Competition Policies and Procedures manual found in Appendix E of the [Heart of Texas Homeless Coalition TX-604 Waco/McLennan County Continuum of Care Governance Charter & Policies and Procedures Manual](#). The scoring tools will be posted at the [HOTHC FY 2022 NOFO Resource Page](#).
